Most Important

The Principals Kendriya Vidyalayas Under Delhi Region

Subject: Curtailment of unnecessary expenditure being incurred by Kendriya Vidyalayas on various events, making purchasing δ printing of materials etc.

Madam/Sir,

With regard to the subject cited above your attention is hereby invited to the fact that Audit reports of various Kendriya Vidyalayas of Delhi Region show that majority of Kendriya Vidyalayas have incurred huge expenditure on various unnecessary items and events, whereas, important tasks have been left unattended. Kendriya Vidyalayas have incurred considerable amounts on printing of study material, student worksheets, handbooks, celebration of Sports Day, Foundation Day, Annual Day and printing of school magazine etc.

It has also been observed that maintenance of school buildings, sports grounds, lawns, gardens, pathways, signboards, laboratories & library etc. have not been maintained as per the standards of the KVS and requirements of schools. The maintenance of washrooms, toilets, staffrooms, availability of potable drinking water and cleanliness of classrooms and other spaces have not been taken up properly in many Vidyalayas.

Resource room in primary section needs to be equipped with photocopier, printer, computer and other required materials. TLM is not being prepared in the line of NEP-2020 and schools seem to be reluctant to embrace the required pedagogical changes as envisaged in NEP.

Keeping in view above facts and circumstances, Principals are directed not to incur expenditure on printing of study material, student worksheets, handbooks, celebration of Sports Day, Foundation day, Annual Day, organizing Sport camps and printing of school magazine. The financial resources required to be saved and utilized on various essential services and procurement of necessary goods / items.

All KVs are directed to prepare digital version of school magazine and upload on school websites. So far as worksheets and test papers for students are required, these items may be photocopied as per the requirements of the students. Printing of extra teacher and students' diaries must be avoided. Principals are hereby cautioned not to make any purchasing without availability of funds in the Vidyalaya accounts and advance purchasing must be avoided completely. If any principal makes advance purchasing in spite of these directions, then it would be viewed very seriously and dealt with CCA (CCS) rules.

All Kendriya Vidyalayas are directed to observe financial austerity and give priority to improvise quality of labs, library, cleanliness services and other resources of the Vidyalaya instead of spending money, energy and time on the activities of lesser importance.

Manha

(S. S. Chaunan)
